

DISPOSAL CONCEPT OF KUMMLER+MATTER LTD.

It is a general rule that **waste electrical and electronic equipment** must not be disposed of with household waste. Such equipment therefore carries markings to indicate this:

Kummler+Matter Ltd. has not joined any European disposal system that is compliant with the Waste Electrical and Electronic Equipment Directive (WEEE Directive). All products sold and distributed by Kummler+Matter Ltd. that are subject to the WEEE Directive must therefore be returned to us for disposal in accordance with the relevant technical and environmental requirements.

Returned equipment and materials become the property of Kummler+Matter Ltd. and will be recycled and/or disposed of in the technically correct manner, in accordance with Kummler+Matter's processes.
